## Thoughts from Lori

It's deep summer. Hot and humid, and far too dry. We've had family visiting, and currently have one of our grandsons with us for ten days or so. Except for some scheduled things, I'm goofing off a good bit while he's here, but totally reachable. So don't hesitate to call if you need me. Meanwhile, here are some links and updates I thought you might be interested in (or should see). First, a piece that came to my email in-box this morning from the people who publish Forward Day by Day. Click [here](#)

to open it. It spoke to me and thought it might speak to you, too, especially the part about the Psalms.

Also, here is a link to a letter sent out yesterday by Bishop Lee. Given that we are an outpost, so to speak, of the diocese, I thought you should be informed. I hope you can hear the depth of his care and concern for not only his staff and the diocese, but for us all as parish churches. We are blessed to have him as our bishop. Please do take a moment to read it, and then to pray for him and all concerned. [Bishop Lee's Letter](#)

This coming Sunday, July 24th, our preacher will be **Deb Lang**. You may be wondering about where she is in the ordination process for the diaconate. At this point, she has completed all the upfront requirements: meeting with a discernment committee (and their recommendation to the vestry); the vestry's nomination along with my recommendation; anti-racism training; and Keeping God's People Safe training; and her personal application. I'm told that all this will be reviewed by a sub-committee of the Commission on Ministry in September, which will then pass on their recommendation to the bishop. The expectation is that the bishop will invite her to a retreat with other aspirants, after which (we believe) he will accept her as a postulant and determine if there are other requirements he would ask her to fulfill. Those will probably include an internship at another Episcopal church. I will keep you posted as she moves through this significant and thorough process. Meanwhile, her ministry as a chaplain at Centegra and her ministries here at St. Paul's are certainly bearing fruit.

Finally, thanks to all of you who have brought in full "personal care bags" for our upcoming Mobile Food Pantry (MFP) and to those of you who have made contributions to the cost of the truck. We still have some empty bags if you haven't picked up one yet, and we can use all the financial support you can offer. Thanks be to God for your generosity!

Stay cool and safe, everyone.

*Lori*

*In case you missed it.... (repeat announcements)*

**BLUES, BREWS, AND BBQ**

As a point of personal privilege and as a member of the McHenry Rotary Club, I share this announcement: the annual **Blues, Brews, and BBQ** will be August 5, 6, and 7th at Petersen Park. Advance tickets may be purchased online (for the first time) for \$5 per day. They are \$10 at the gate. I also have tickets available. This event is our major fundraiser and proceeds are given to charitable groups locally, nationally, and internationally. Come out for a great time and support these good causes. ### **WORSHIP IN JULY**

For the month of July, we will be using some of the more contemporary options in the Book of Common Prayer in our liturgy. We'll use Eucharistic Prayer C (see pp. 369-372) and the contemporary form of the Lord's Prayer (p. 364). As usual, it will all be printed in our service bulletin. Hearing and saying words that are less familiar is an opportunity to become more aware of what we are saying and what it means. You may find yourself drawn to these new forms, or you may become more aware of what you value about the more traditional forms. In any case, this is just for the month of July. Let's see how the Spirit moves us!

### **ANNIVERSARIES OF BAPTISM**

*in our Prayers of the People*

Over the years, I've found that most people don't know their date of Baptism. There's probably a record of it in your baby book or tucked away in a family Bible somewhere. It's been the tradition here to print the names of those whose baptismal anniversaries are recorded in our parish data base (provided by those few of you who know it) in the Prayers of the People. Going forward, we are not going to put those in print. *However*, if you know your baptismal anniversary, feel free to come forward for a blessing as usual. That goes for anyone who wishes to receive a birthday blessing, anniversary (of marriage) blessing, whether we've printed it or not, and blessings for safe travel.
