Words from Wardens

As we prepare for the season of Lent in our new home, I am so grateful that we are able to celebrate Ash Wednesday in person with a Eucharist. We continue to work on updating our ability to offer online worship for those who are not ready to resume coming together in person to celebrate every Sunday. It is important that we are able to be together whether that be in person, virtually, or a combination of both. The new Vestry will be meeting for the first time this weekend, and one of the primary topics of conversation will be how to get back to in-person worship. If you have any thoughts about what our future worship looks like, please reach out to any Vestry member with comments or suggestions.

In the meantime, God is with us guiding us through the upcoming Lenten season. Stay warm and stay safe!

Beth Lukas, Senior Warden
